

Another Way to Give...

“I have been a registered nurse for 35 years. The last 10 years of my nursing career have been at the Fountain Clinic. Of all the medical facilities I have worked, the most rewarding has been the Fountain Clinic. This Clinic is funded by the community and organizations like the Marshall Community Foundation. Our patients are very appreciative. Our patients have told me they don’t know what they would have done without the Fountain Clinic.”

Linda Brown, Registered Nurse

The Fountain Clinic served over 5,000 people last year. They accept patients (no matter where they live) who are under insured or have no insurance.
